

An aerial photograph of a road intersection. A teal-colored area is highlighted, indicating a proposed expansion for a right-turn lane. The teal area starts from the top left, follows the curve of the road, and tapers to a point on the right side. A red line outlines the boundary of the highlighted area. Several cars are visible on the road, and a building is partially visible in the upper left.

Ca. areal til udvidelse for højresvingsbane

Principskitsering i forbindelse med anlægsoverslag.

Nøjagtige forhold klarlægges i et detailprojekt.
